

Join us in our fundraising campaign to build a new Warwick Community Centre!

Built in 1939, the current Warwick Community hall has served us well but it is now time to replace that building with a new complex that will serve our community for future generations.

It has been shown that a community that has good facilities will attract families of all ages to the area, which in turn helps the local economy prosper and grow! You can assist us with making this project become a reality!

With your tax deductible donation, together we will build a multi-use facility for all ages to accommodate a wide variety of programs and community functions for generations to come!

4400 square foot addition which includes:

- ~ Community Hall to seat 125
- ~ Large kitchen area
- ~ Handicapped accessible washrooms
- ~ Storage area

Hall will accommodate:

- * Family Functions
- * Training Events
- * Exercise Programs
- * Community Events
